## Hamlin Man Mysteriously Slugged, Unconscious

What perhaps has proven the most mysterious case in this community for a long time, took place sometime about noon, Monday.

W. C. Hamric, son-in-law of Mr. and Mrs. W. C. Elkins, of this city was the victim. Hamric works for Mr. Elkins quite often in the welding shop, and recently moved into a house in South Hamlin. Monday, about 11:20, his wife says her husband left the house with their cow to tie her out to graze on the "Y" of the railroad.

About 12 noon, some Mexicans saw a man lying on the ground near the track and gave the alarm. Mexican men came and administered to the man and with the help of T. C. Robertson, carried him to a grassy lawn and Mr. Robertson and others carried him to the Bynum Hospital. He had been beaten badly on the right side of his face and head, and one eye was seriously injured. He was rushed to the Abilene Hospital where X-ray showed no indications of a fatal injury, but he continued unconscious.

Officers Miles, Brewer, Deputy Dunwoody, Attorney Smith, and a lot of Hamlin citizens studied the grounds closely but no clue could be found. The cow was near by with the rope around her neck, there was no indications of a struggle, no signs, no blood except on the man.

By Wednesday Hamric regained consciousness and reports that he took the cow down to graze and after she had cleaned up a certain patch by the tracks, he thought he would return to the house and the cow pulled over to the green grass on the side of the "Y" and he sat down with the rope in his hands and evidently went to sleep. The next thing he says he remembers is being in the hospital. So there you are. Who did it?

Mr. Elkins says the Mexicans have proven they did not do it and that they rendered such aid in getting relief for Hamric that he owes his life to them. May be some day this "day light murder attempt" will unravel, but not likely.

Hamric is improving and will likely be back home by next Monday.

Mr. and Mrs. J. H. Sauls and grandson, Jack, went up to Spur and Dickens last week. While up there they attended the Old Settlers' Reunion at Dickens and J. H. says it looked like a "world fair." Mrs. Sauls went on to Lubbock to visit a sister.

Attorney and Mrs. Frank Taylor of Fort Worth, are enjoying a visit and vacation at the home of their parents, Dr. and Mrs. J. F. Taylor, this week.

Remember the time. Beginning Sunday night, August 2, to continue for two weeks. Services each night at 8:30 o'clock.

## FRED L. THOMAS THANKS VOTERS

I am very grateful to the voters of this section for the good support given me last Saturday and I shall appreciate your continued support in the run-off.

## To the Citizens of Precinct No. 1, Jones Co.:

I wish to thank the voters of each and every voting box in Precinct No. 1, Jones County, both collectively and individually for your loyal support for Commissioner of Precinct No. 1. You gave me a nice majority vote and I want you to know that I appreciate it. We have worked hard to try to give you a service that you would appreciate, and no one can truthfully say that I have not tried to work for all parts of the Precinct, and all the people alike. I have looked after your finances, and have built you the best system of dirt roads that it is possible to build, with the amount of money to be spent, and the amount of ground available to build them on. The mud holes and rough places have disappeared, and you have shown that you appreciate it.

Only four working days in the last three and one-half years that I have not been looking after your business and on the job, I will ask if there is any person in Jones County that has stayed closer to their own personal business. To those who voted against me, I want you to know that I am not only ready but will be willing and glad to serve you and will do anything that I can for all alike, so do not hesitate to call on me.

The Commissioners Office is one of the most important in the county, and a hard place to fill, therefore I kindly ask the co-operation of each and every person in Precinct No. 1, also Jones County, that I may serve to the best interest of Precinct No. 1, and Jones County. Again I thank you.

Sincerely,

JNO. C. TURNER

Considering how fine this railroad transportation is nowadays, you can't travel any cheaper. Fares lowest in history—substantial savings on round trip tickets. So why not take the train? It's safer. It's more dependable.

You can't beat the improved travel comfort in coaches and sleeping cars. It's a good thing movies don't have such restful seats—most folks would sure fall asleep.

Ever hear about the new Free pick-up-and-delivery of less than carload freight? It's a great convenience to shippers and receivers alike. Western railroads pick up at the door, ship by fast freight, and deliver to door at no extra charge.

Railroad trains are running on faster schedules these days. Seems like the iron horse wants to show these new streamlined diesels that he can step out, too. Both passenger and freight schedules have been speeded up.

What's more, the railroads believe in "safety first." Last year not one passenger was killed in a train accident on western railroads.

Talk to your local railroad agent. He's full of information about traveling and shipping.

We are proud of railroad achievements, appreciate the public's good will and increased patronage, and pledge continued progress.

## Garrett-Blanton Race Promises To Be Hot

CLYDE L. GARRETT

HON. THOMAS L. BLANTON

According to predictions of the Abilene Morning News, and from expressions from other sources, the 17th Congressional District is going to have the hottest contest for Congressman nominations, since the days of the Smith-Blanton fight of 1914. That was the year when Mr. Blanton replaced Mr. Smith in congress.

The campaign for congress this year was one so far, much different from others since 1914. Neither candidate used ugly language as has been the case in other contests. From the Abilene paper, it seems there are yet a few votes out, and below is what the count shows to date, as shown by the Abilene paper:

The 17th district congressional race in Saturday's democratic primary developed a run-off between Clyde L. Garrett, county judge of Eastland county, and the incumbent, Thomas L. Blanton of Abilene, who has represented the district for nearly 20 years.

### 200-300 VOTES OUT

With 51,696 votes tabulated and not more than 200 to 300 still out from Eastland and Jones counties, all other 10 counties being complete, Garrett lacked 2,674 votes of a majority in the field of three. His lead over Blanton stood at 4,773.

### TOTALS

The totals for the three candidates were:

Garrett 24,511 Blanton 19,738 Fred O. Jaye 7,447

By counties, the candidates stood like this:

Blanton Garrett Jaye Pale Pinto 1,396 2,299 495 Hamilton 1,485 1,171 597 Comanche 947 1,548 1,752 Erath 2,199 1,943 846 Stephens 1,442 1,753 425 Shackelford 892 727 88 Callahan 989 1,446 163 Taylor 4,461 3,297 591 (x) Jones 1,663 2,238 409 Fisher 1,426 1,153 373 Nolan 1,142 2,232 902 (x) Eastland 1,696 4,704 806 (x) incomplete

A part of Mr. Blanton's statement on the race reads as follows: "Post-office appointments, which the President asked us to help him make, have cost me thousands of votes... The controlling issue was resentment about the postmaster appointments... plus paid agitators, spreading falsehoods about me. The real issue now is whether or not you are going to allow Washington money, disgruntled unsuccessful post office applicants, and old political enemies to replace me."

Everything is shaping up for an almost house to house campaign. Here is a statement from Jas P. Stinson, Chairman of the Taylor County Blanton-for-Congress Club:

"We are going to reelect Blanton, no mistake about it, but we need workers, organizers, good speakers."

FRED O. JAY TURNS HIS SUPPORT TO BLANTON

Wednesday morning Abilene Morning News gave the information that Fred O. Jay was throwing his influence to Blanton's cause. Just what weight this turn may have will depend on several circumstances. Usually not many voters can be "de-

livered by a defeated candidate.

Mr. Jay says: "Last Friday night, three weeks ago, a man came to my office in DeLeon, waved \$2,500 and said I could have it if I would withdraw from the race"... "It was in greenbacks." In Mr. Jay's speech in Abilene he seemed to imply that this money came from Washington, but left the subject there. Mr. Jay made a dandy speech here, several days after the incident, and he never told Hamlin people about it, or hinted that anybody was trying to buy anybody off. Mr. Jay's stand is adding more heat to the campaign.

BLANTON WANTS TO DEBATE GARRETT TWELVE TIMES

Tuesday afternoon papers carried a challenge of Mr. Blanton to Mr. Garrett for a series of joint debates. Mr. Blanton says: "Having a joint debate in each of the twelve counties will give the people a chance to pass upon our respective qualifications, our respective contentions, and the important issues of the campaign." In our opinion such a debate would serve to add still more fire to a hot campaign. In days gone by debates were common, but Mr. Garrett will likely run his own speaking without debating entanglements.

## "Rambling 'Round"

—SEEING WHAT'S TO SEE  
—HEARING WHAT'S TO HEAR

THE FIRST ROUND IS over. Take down the surplus cards, thin out the ones who failed to get even in the "Run-off" and let's clear the deck for a hot August. It's lots of fun to vote, and the fun has just started (for some people).

THERE WERE MANY upsets, in the Saturday election. To us the greatest surprise was the wonderful vote gained by Governor Allred. Really we figured Mr. Allred would have a run-off contest, and maybe be hard pressed to win. What a surprise. It did look like many old people in Texas regarded Mr. Allred as an enemy. However, when the young governor got before the radio mike and gave the hard facts in his effort to bring about real and substantial aid to the old people, they evidently responded to him with a favorable vote. No joking, the facts show that Mr. Allred has done more for the aid of the aged and needy than any other man in Texas. He will now be able to do more, and he will. Texas has a good governor, who is not afraid to do his duty, be it in the office or out at some celebration where the state is to be represented. Some day maybe Hamlin people will get to play host to Governor Allred.

MORRIS SHEPPARD and GEORGE SHEPPARD are two favorites of Texas people. It was a great compliment to both of them to be re-nominated in the first primary.

CONGRESSIONAL RACES attracted more than usual attention this year. In our own 17th District, there was the greatest upset. Few had any idea that the Townsendite candidate would get such a vote, although the candidate, Mr. Jay made a favorable impression in every community. He commanded a vote that will likely go to the lead-

ing candidate in the August 22 primary. Mr. Garrett received a surprise vote and for the first time in Mr. Blanton's life he had to take a second position. Things like that will happen once in twenty years. Mr. Garrett's chances are now very favorable to be our next congressman.

GETTING AWAY from state politics, we can spread out over the U. S. A. We will start by calling attention to the Knot Cartoon, in the Monday's Dallas News. Mr. Landon was represented by Knot as an amateur, before Major Bowes' microphone, and very timidly saying he aspired to be president of the U. S. A. But, Uncle Sam, playing Major Bowes gazed at him with a stern look, and held the gavel ready to give little Landon the gong.

Mr. and Mrs. Horace McGee, of Fort Worth, were here this week to visit their sister, Mrs. Burns Eakin.

Mr. and Mrs. T. R. Tegart returned Wednesday from an extensive trip to New Orleans, Dallas and the Frontier Centennial. Mr. Tegart says New Orleans is a show itself and as for the Centennial and Frontier, they are grand.

Mr. and Mrs. G. W. Carter of Wolfe City, are spending the week with their brother, W. J. Carter and family.

Mr. and Mrs. Burns Eakin and Mrs. Jessie Waggoner and daughter, went to Dallas last Saturday and remained till Monday night. Burns was seen as late as Wednesday and he said he was still sleepy. You know a fellow feels that way after two nights in the Centennial.

The commodity truck will be in Hamlin on Thursday, August 6th, from 1:00 to 2:00 o'clock.

The Caseworker's schedule has been changed. We feel that we can give better service by spending an entire week in each town instead of two days each week as we have in the past. The week given to Hamlin will be the third week in each month. The last week of each month will be devoted to office work, or should an emergency arise in any of the three towns, the worker will be glad to make any necessary calls.

### How Cardui Helps Women To Build Up

Cardui stimulates the appetite and improves digestion, helping women to get more strength from the food they eat. As nourishment is improved, strength is built up, certain functional pains go away and women praise Cardui for helping them back to good health. . . . Mrs. O. E. Ratliff, of Hinton, W. Va., writes: "After the birth of my last baby, I did not seem to get my strength back. I took Cardui again and was soon sound and well. I have given it to my daughters and recommend it to other ladies." . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

Tate May, wife and son are taking their vacation this week, in Fort Worth, Dallas and Galveston, seeing things.

Miss Lennie Greenway and Miss Elsie Wienke are in Ruidoso, New Mexico, enjoying the mountain air and the social atmosphere of Mrs. Dunn's Texas Cabins. Mrs. W. C. Russell is also there and will probably remain till September.

Mrs. Sam Young of Hobbs, New Mexico, has been visiting Mrs. Eunice Thompson and daughters, Misses Ruby and Irene. Mrs. Young and Mrs. Thompson left for Hobbs, Monday where Mrs. Thompson will visit for a week.

Mrs. Young, Mrs. Thompson and daughters, Misses Ruby and Irene, spent last Sunday in San Angelo and Christoval.

### GIFT SHOWER COMPLIMENTS

#### MRS. RICHARDSON

Misses Ruby Dean, Katherine Adkins, Ruby Thompson, Irene Thompson, and Mrs. Tom Vaughan were joint hostesses Monday evening when they entertained on the lawn at the home of Mr. and Mrs. Tate May on Jackson Avenue, complimenting Mrs. E. R. Richardson, a bride of the month, with a lovely gift shower.

Guests were welcomed by Miss Dean and presented to the honoree, Mrs. Richardson. Other hostesses assisted in receiving and directing guests to chairs arranged on the attractive lawn against a background of shrubs and flowering plants. The register, a dainty hand made bride's book, was presided over by Miss Ruby Thompson.

The evening's entertainment was given in the form of a school contest with hostesses acting as teachers and guests as competing pupils for the prize for the best recitation. After classes had been conducted in spelling, home economics and horticulture, the climax of interest was reached in the dramatic lesson where Mrs. Richardson and Mrs. Vaughan were called to give a skit in "love making." The judges unanimously declared Mrs. Richardson the winner and she was presented a load of packages which proved to be lovely gifts. She expressed her thanks and appreciation and as she opened each package she displayed the gifts to her friends.

A plate holding cakes, punch and mints was served to fifty guests. Favors were tiny candy doves.

Mr. and Mrs. M. T. Woodward and little daughter, Miss Mary Murrell, returned Saturday from a seven weeks outing in Colorado. They report a fine, cool time.

### McCAULEY NEWS

We all are wishing for a rain. Maybe our wish will come true soon.

Mrs. C. W. Jackson and Miss Kenna Rector spent the week-end at home from Abilene.

Mrs. Ruth Davis and son, Burl, of Gatesville, Texas, are guests of Mrs. Eula Mustain and children.

Miss Velta McCormick of Hamlin, was the week-end guest of Miss Beatrice Curtis.

Mr. and Mrs. C. C. Davis of Abilene, have been visiting Mrs. W. M. Fancher.

We are glad to report those on the sick list, Jim Millsap, Mrs. Eva Parker, Jim Fancher, and Mrs. (Mother) Crowley, all improved.

The revival meeting at the Church of Christ will begin Sunday, August 2. Bro. Woodie Holden of Hamlin will do the preaching. Everyone welcome to attend these services.

The McCauley Celebration, August 6, 7 and 8th, will go over in a big way. Plenty of entertainment for the whole family. The Boosters Club are doing their best under the leadership of George Darden to put this picnic over on the 30th birthday of our town. There will be stock shows, baseball games, and horse races and many other things to entertain the people. They say this will be the opening of the Centennial in McCauley. So come to McCauley, August 6, 7 and 8, and see a big time with the crowd.

Mr. and Mrs. F. D. Wells and daughters, Virginia, Phyllis and Patsy, returned last week from a visit to the Centennial. While there their close friend, little Bob Cluney was killed in Abilene. They came back and were at the Cluney home in Abilene till after the funeral on Saturday.

### OWEN THOMAS EXPRESSES

#### APPRECIATION TO FRIENDS AND SUPPORTERS

I hereby express my appreciation to my many friends for the good majorities I received in my home County of Jones and in Fisher County, as a candidate for District Judge. I also appreciate the good vote accorded me in Taylor County, the home of my opponent.

Although I did not win the nomination, I feel compensated for my efforts during the too short period for making the campaign, by reason of new acquaintances made and friendships formed and the manifested loyalty of my old friends. I am grateful to all who in any way encouraged or assisted me.

Please accept my sincere thanks and good wishes.

### FROM MR. HAYDEN

I Wish to thank the voters of Jones County for the vote given me. It was a genuine pleasure to meet and know the people of Jones County.  
THOMAS E. HAYDEN, Jr.  
(p)

Mr. and Mrs. L. H. McBride and daughter, Miss Anna Margaret, left Tuesday to spend the remainder of the week visiting the Fort Worth and Dallas Centennial Expositions.

Mrs. W. T. Shepherd left Wednesday for Los Angeles, to be with her brother, W. L. Beard, who was to undergo a surgical operation.

Mr. O. L. Taulman and O. L. Jr., of Monahans, came over Monday to visit her mother and father, Mr. and Mrs. W. W. Green.

Roy Edwin Tims returned Monday from a two weeks visit with his uncle, D. A. Tims in San Angelo. Roy is taking lessons in the mysterious art of printing in the Herald office.

### MISS VERA MONEY

#### MARRIED TO RULE MAN

On Monday, July 20, Miss Vera Money, daughter of Mr. and Mrs. N. E. Money of this city, was united in marriage to Mr. Myers Davis of the Rule community.

Mrs. Davis has lived in Hamlin a number of years and has won a host of friends among the young people.

Mr. Davis is a nephew of Mrs. B. F. Willingham, formerly of Hamlin. They will make their home near Rule, on a farm.

It was the editor's privilege to preach at both hours Sunday for the First Church, Hamlin. Pastor Henry Littleton is away on a vacation. He has resigned as pastor of the Hamlin Church but his resignation has not been accepted. This is one of the very best churches in West Texas. The first of August will end the eleventh year of Brother Littleton's pastorate with the church. These have been eleven years of constructive Kingdom building. Brother Littleton is a good preacher, and an excellent pastor, and he is unusually loved by his church and the entire community.—The West Texas Baptist.

The Editor, Rev. Sam Malone, was in the Hamlin pulpit, Sunday, July 19. He is a good preacher, too.

Better a friend who values you for what you are than a kinsman for what you have.

NEW NEON SIGN  
SHOWS THEATRE

This summer as you travel around notice if any town the size of Hamlin has as good and modern theatre as the Ferguson Theatre in Hamlin.

This popular show house has had a "New Face" this week. A very attractive neon sign fronts the building and the darker the night the brighter it stands out.

The sign has a large perpendicular shaft carrying "Ferguson Theatre" and the awning is faced on three sides with large lighted letters carrying the feature pictures and the information about special nights, etc. Just another small modern feature that adds in appearance.

Gilbert Freedman left last Friday for Washington, D. C. He went by bus via St. Louis, where he changed to a through bus to Washington. Gilbert sent a telegram Monday saying he arrived in Washington at 7:30 A. M. Monday. That is good time. Gilbert will join his brother Sylvan in Washington. He will likely attend some school and do some work. Gilbert completed his High School courses the past spring.

Don't mistake your own incompetence for a financial depression.

FORMER HAMLIN BOY  
KILLED IN ABILENE

Hamlin people who knew the W. J. Cluney family, who recently moved to Abilene, were shocked last Thursday to learn that Bob Cluney, age 14 years, had been killed by a truck in the edge of Abilene.

Mr. and Mrs. Cluney moved to Abilene soon after their daughter, Miss Betty Cluney, graduated from the Hamlin High School. Bob and Mary Alice were the other children. Bob finished his Junior year in Hamlin and his school mates and all who knew him in Hamlin, recognized in him, a very fine, bright young fellow. Bob was always doing something of value. The Herald man remembers him for his social attitude. He sold papers here last winter and we recall seeing him each morning—he had a dog and one morning we called attention to lots of dogs following him. Bob says: "Yes, when I start out with my dog, soon a half dozen follow me."

Bob was killed on the Highway 4-30, in the edge of Abilene last Thursday, about noon. He had been carried part of the way to the golf course by his sister, Miss Bettie. He was evidently intending to "catch" a ride to the golf course, when the truck struck him.

A man is under arrest.

Funeral services were held at the Catholic Church Saturday morning. Many friends of the family in Hamlin were present. Others expressed their deep sympathy with flowers and messages.

Mr. and Mrs. C. B. Hill, a young couple, who live on Hope Avenue, the 200 block were greeted by a fine daughter, on July 21. Her name is Carol Ann, weight seven and a half pounds. Her grandmother, Mrs. C. F. Hill, of Rising Star, is at the home of her son to spend ten days.

Laxative combination  
folks know is trustworthy

The confidence thousands of parents have in good, old reliable, powdered Theodor's Black-Draught has prompted them to get the new Syrup of Black-Draught for their children. The grown folks stick to the powdered Black-Draught; the youngsters probably will prefer it when they outgrow their childish love of sweets. Mrs. C. W. Adams, of Murray, Ky., writes: "I have used Theodor's Black-Draught (powder) about thirteen years, taking it for biliousness. Black-Draught acts well and I am always pleased with the results. I wanted a good, reliable laxative for my children. I have found Syrup of Black-Draught to be just that."
